INFORMATIVE

SAT-LOA-20070622-00085	S2738	EchoStar Satellite Operating L.L.C.
-------------------------------	-------	-------------------------------------

On August 8, 2008, Spectrum Five, LLC filed a letter with the Federal Communications Commission ("Commission") entitled "Emergency Request for Clarification of Condition on the Operation of the EchoStar 11 DBS Satellite at 110° W.L." Letter from Todd M. Stansbury, Esq., Wiley, Rein LLP, to Marlene H. Dortch, Secretary, Federal Communications Commission, dated August 8, 2008 ("Letter Request"). On August 18, 2008, the Satellite Division, on its own motion, designated the matter as "permit-but-disclose" for purposes of the Commission's rules governing ex parte communications. The Satellite Division finds that designating this matter as "permit-but-disclose" will facilitate resolution of the issues raised. See 47 C.F.R. §6 1.1200(a), 1.1206 and 1.1208 note 2. This action is without prejudice to any determination regarding the processing of the Letter Request.
